(1) Each member of your group is required to send a \$1,000.00 USD deposit, all deposits are *non refundable. Deposit is due by January 1st.

(2) Deposits are required by "all members" of your hunting group to ensure the requested dates are reserved. Otherwise, your group risks having all deposits forfeited in lieu of another group who has their deposits paid and contracts completed. The onus is on the group organizer to ensure all group members are aware of this booking policy.

(3) Once we have received the deposits from "all" group members, Living Sky Outfitters Ltd. will send out conformation in the form of a contract and receipt. All contracts have to be completed and returned. No one hunts without a completed contract.

(4) Bookings are done on a "first come, first serve" basis. Only a deposit will hold a spot. Former client spots will be available in "good faith" until November 30th.

(5) Reserve by telephone the dates your group prefers.

(6) Living Sky Outfitters Ltd. will require full names, complete addresses, and telephone numbers for all group members faxed to (306) 567-3164.
